

'DON GIOVANNI'

Opera by Wolfgang Amadeus Mozart

OPERA QUEENSLAND presents this timeless opera conducted by JOHANNES FRITZSCH.

The British/Australian bass baritone and rising international star DUNCAN ROCK makes his Australian principal debut in the title role. Some of Queensland's finest singing actors will complete the cast of 'Don Giovanni'.

Director LINDY HUME presents an arresting new staging of the aristocratic 'DON GIOVANNI' as a seductive, sociopathic, cajoling, funny and charming, yet dangerous and destructive character.

Giovanni's descent into hell is one of the theatre's most spectacular scenes, but no work of MOZART is one dimensional so be prepared to experience a kaleidoscope of emotions across the sweep of one of opera's most exhilarating scores.

Sung in Italian with English surtitles.
